email:

Time for the story-tellers conference!
Exciting to hear the lore of the crowd.

My girlfriend gets her way by pretending
she's sad. She's an expert in sighcology.

My car was once hit by a truck. I wasn't
hurt but I got the freight of my life.

My wife applied at the post office but they
wouldn't letter. They said only mails work here.

Those who jump off a bridge in Paris
are in Seine.

The roundest knight at the Round Table was
Sir Cumerence. He had too much pi.

The short fortune-teller who escaped
from prison was a small medium at large.

What do you call a fake noodle?
An impasta.

Witches' parking only:
All others will be toad.

I put ten jokes in a contest to insure one
would win. But no pun in ten did.

I did a theatrical performance about puns.
Really it was just a play on words.

I tried to tell a pun about rubber bands,
but it was a stretch

When cannibals ate a missionary,
they got a taste of religion.

Without geometry, life is pointless
